

# LESSON 17

*God prepares Israel for deliverance • Exodus 1:1–2:25*

## Save Moses

Moses' mother saved Moses by putting him in a basket.  
Draw Moses in the basket then help him get to Pharaoh's daughter.

God cared for Moses because He was going to use him to carry out His promises to bring Israel out of Egypt (Gen 15:16) and to bless all nations with the Word of God (Gen 12:3).
